

The Rotary Club of Ottawa Canada

Dear Friend:

The Rotary Club of Ottawa would like to ask for your kind support for the 8th annual Rotary “All That Jazz” fundraising event to be held on Friday, September 11, 2009. This event offers guests the opportunity to win great prizes, participate in 18 holes of golf at the fabulous Emerald Links Golf and Country Club, feast on BBQ ribs and chicken, and enjoy live jazz entertainment.

This fundraising would not be possible without the support from generous contributors like you.

We would like to request your support through a donation of a prize. The prize will be used for either the auction or the golf tournament. Financial contributions are also welcome. Your generosity will be acknowledged in the programs and on the day of the event.

All proceeds from this event will go to support the Ottawa Rotary Club Children’s Foundation, supporting the needs of the Ottawa community including *The Ottawa Rotary Home Capital Campaign, to support a new facility offering respite care for children with severe physical disabilities.*

Please take a moment to think about the life altering work Rotary Clubs have accomplished in our community and around the world. With your help we can ensure those critical services continue.

The Rotary Club of Ottawa, founded in 1916, is the longest existing service club in the National Capital Region. It is comprised of business, professional and public service executives who have joined forces to support high ethical standards in their business dealings and initiate community service projects where they see a need.

To make a contribution, please fax the attached form, or simply drop your contribution in the mail today. Or, email the information to admin@rotaryottawa.com. For more information, please contact our club manager Margot Nicholls at (613) 860-1521 or admin@ottawarotary.com.

Yours truly,
