You and your guests will have a great day of fun, and you will be helping **The Rotary Club of Ottawa**. Founded in 1916, ours is the longest existing service club in the National Capital Region. Our members are business, professional and public service executives who support high ethical standards in their business dealings and create community service projects in Ottawa and abroad. We are a member club in Rotary International (www.rotary.org) with more than 33,000 clubs and well over one million members worldwide.

Your sponsorship will help our many worthwhile charitable projects such as **The Ottawa Rotary Home** (www.rotaryhome.on.ca). From 1982-2009, a 12-bed facility provided loving out-of-home care to families of children/youth with physical disabilities or complex medical needs a short respite from the responsibilities of caring for their child. In early 2009, The Ottawa Rotary Home moved to a new \$6 million facility at Bank Street and Leirtrim Road. The new building provides 13 beds for children/youth and will include an 8-bed wing devoted to young adults.

Other Rotary Club of Ottawa activities include our *Adventure in Citizenship* program where each spring our club brings over 200 senior high school students from around the country to Ottawa for an intensive four-day course in Canadian citizenship and civic responsibility. Notable alumni from this 50+ year-old program include Adrienne Clarkson, Ed Broadbent and Joe Clark. In the last five years our club has helped establish children’s aid and literacy programs in Estonia, Ghana, India and Sudan and contributed over \$300,000 to polio eradication and disaster relief efforts around the globe.
